

Connecticut Architecture Foundation

ANNOUNCES THE 2019 BOARD OF DIRECTORS

The Connecticut Architecture Foundation announces the appointment of three new members of its Board of Directors, as well as the full slate of officers and board members for 2019.

Joining the Board of Directors are Lauren Braren, AIA, Tanya Cutolo, AIA and Ana Koleva, AIA.

LAUREN BRAREN, AIA, *JCJ Architecture*

Lauren, a resident of Higganum, Connecticut is an NCARB certified Architect. As an Associate at JCJ Architecture, Lauren acts as a Project Designer and Studio Leader who is an effective and empathetic communicator. She has lead a variety of projects for public and private K-12 and Higher Education throughout New England in the planning, design and documentation of schools and progressive learning environments in her 18 years. Lauren holds a Bachelor of Architecture degree from Rensselaer Polytechnic Institute. She has previously served as an adjunct professor of Design at the University of Hartford and currently volunteers as a coach and Board Secretary for her local youth lacrosse program.

TANYA CUTOLO, AIA, LEED AP, *Construction Services*

Tanya is a registered architect with over twenty-five years' experience working in the design and construction field. She has been a business development manager and director for construction and design build services since 2008. Tanya received her Master of Architecture degree from Tulane University. Her professional registrations and certifications include, LEED AP, RA NY & CT, AIA & NCARB. She currently serves on the boards of CT CREW, CTGBC (CT Green Building Council) and ARC (Architectural Resource Center- a design education program for K-12). Tanya also participates in AIA CT COTE and as a mentor for CT PWC (Professional Women in Construction).

ANA KOLEVA, AIA, *CPG*

Ana's diverse portfolio of projects spans the ten+ years of her professional experience. She started her architectural career interning on multi-family and hotel projects, later working on large scale cultural projects. She transitioned to small commercial and residential projects and is currently focused on office and mixed-use buildings designs. So far Ana has lived on 2 continents, in 3 countries, 4 states and 12 cities. Her broad life experiences support the unconventional ideas she brings to the table. She remains open to continuous learning and desires to stay ahead of the curve of innovation. She understands the importance of informing the public about architecture and the built environment.
