

# CAF The 2022 Board

CONNECTICUT  
ARCHITECTURE  
FOUNDATION

The Connecticut Architecture Foundation was established in 1978 by the Connecticut Society of Architects, now the American Institute of Architects (AIA) Connecticut, as an independent 501c3 organization. The CAF Mission is to raise

**President**  
**Stephanie Degen-Monroe, AIA**  
*Planner Architect,  
Yale School of Medicine  
and West Campus,  
New Haven*

A licensed architect in Connecticut, Ms. Degen-Monroe has worked as Project Architect for public schools in Meriden, Bridgeport and Norwich and has taught at the University of Hartford. She serves as Senior Associate working on projects at the Yale School of Medicine and Yale University. She has served as President of the Board of the Essex Library Association and is a Past President of the Connecticut Chapter of the American Institute of Architects.

**Vice President**  
**Robert E. Swain, Jr.,  
AIA LEED AP**  
*Amenta Emma  
Architects, Hartford*

Bob serves as Principal-in-Charge for the firm's Academic Studio and Principal for the firm's major Civic work. With experience on major academic and student life buildings for multiple private and public campuses throughout the region, Robert's primary focus is on the programming, planning and architectural development of higher education and secondary school projects. Internally, Robert serves as Principal-in-Charge of Finance and Operations.

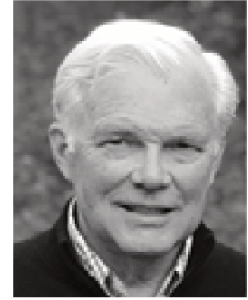

**Secretary**  
**Nancy B. Clayton,  
AIA LEED GA**  
*Pickard Chilton,  
New Haven*

Ms. Clayton, who joined Pickard Chilton in 2002, has more than 30 years of design experience on a broad range of corporate, academic, and cultural projects. She has served as Design Director for several significant corporate high rise and campus projects. She is currently Pickard Chilton's Associate-in-charge of the Barack H. Obama Magnet University School, a New Haven Public School opening this month on the campus of SCSU, designed in conjunction with JcJ Architecture. In 2017, Ms. Clayton was the recipient of the Professional Women in Construction Connecticut Chapter's "Woman of Achievement" award.

**Treasurer**  
**Robert Golde, FASLA**  
*Towers | Golde, LLC,  
New Haven*

As principal in the New Haven, CT landscape architectural firm of Towers | Golde Bob has focused his practice on developing a highly collaborative approach to site planning and context-sensitive site development for projects of all types on sites large and small. During Bob's thirty-five year tenure, his firm has been the recipient of more than 50 state, national, and international design awards and has been honored by the American Society of Landscape Architects with its Award of Excellence. A graduate of SUNY College of Environmental Science and Forestry, Bob currently holds professional licenses in 14 states.

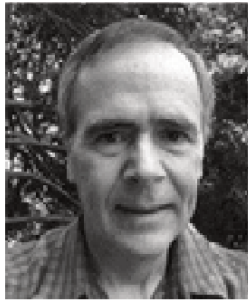

**Assistant Treasurer**  
**John Franzen, FAIA**  
*J. P. Franzen Associates  
Architects, P.C.,  
Fairfield*

Jack Franzen brings over 30 years of professional expertise. As principal at J.P. Franzen Associates, he practices in Residential, Commercial and Institutional Architecture as well as Historic Preservation. He was awarded an Upjohn Fellowship in 2000, became a Fellow of the American Institute of Architects in 2001, and serves on design juries throughout the country in addition to community and regional boards and commissions.

# ard of Directors

and distribute funds to increase public awareness of, and expectations for, architecture and the built environment. Over the last forty (plus) years more than \$600,000 in scholarships has been awarded to recipients. It is guided by a volunteer Board of Directors composed of architects and allied professionals.

**Randall Anway, AIA,**  
*Principal, New-Tapestry, LLC ,  
Old Lyme*

An active member of the American Institute of Architects, and the International Council on Systems Engineering, Randall serves in a variety of capacities supporting professional development and continuing education in the fields of architecture and engineering. Licensed in New York and Connecticut, Randall's work draws on over 30 years diverse experience in academic, corporate, non-profit, and small business settings. With a unique focus and consultative approach to design methodology, he specializes in bridging natural and human-evolved systems. He is currently serving AIA-CT as President of the Board of Directors.

**Cassandra Archer, AIA  
NOMA**  
*Senior Architect, Centerbrook  
Architects and Planners,  
Centerbrook*

Cassandra received a Bachelor of Science in Architecture from Wentworth Institute of Technology, Boston in 2012. After graduating, she moved to California to begin her career as a project designer for a San Jose firm specializing in education and commercial interior fit-outs. In 2016 she returned to the East Coast, working at New Haven's Kenneth Boroson Architects before joining Centerbrook in 2018. In 2019, Cassandra completed her architectural licensing. Cassandra's passion for mentoring the next generation of architects is evident in her active involvement with NOMA CT.

**Paolo Campos, AIA, NOMA,  
Principal**  
*Patriquin Architects, New  
Haven*

Paolo architectural career has spanned over twenty years in primary and higher education, multifamily housing, master planning, and commercial work. Paolo volunteers extensively at AIA Connecticut, having co-chaired the Building Performance & Regulations, and the Justice, Equity, Diversity & Inclusion Knowledge Communities. He serves AIA-CT as President-Elect of the Board of Directors. He is one of the five founding architects of NOMA CT, where he currently serves as President.
